It is the Vision of CVA to equip each student with a quality Christian education firmly based in the Word of God, so that they are fully prepared to take the love of God into all the earth.

It is the Mission of CVA to educate our students, using biblically sound teachings, in order that they may impact their world for Christ. We do this by utilizing our hybrid program to make individualized education plans. This is accomplished through on-campus, online, and home education programs.
