Book Title: Believe: Student Edition, by Randy Frazee

Welcome to Bible Class! I'm excited about teaching this class with your student. We are using Believe: Student Edition, it's one thing to know the story of the Bible. It's another thing to live it. The Believe Student Edition teaches the core beliefs, practices, and virtues of Jesus-followers so that you can understand how to live out God's story in your own life today.

Description of Course: Students will learn as we walk through the three big categories of Christian life—beliefs, practices, and virtues—we'll begin a journey that will take us closer to the heart of Jesus and deeper into the words of Scripture. We'll learn what the Bible has to say about everything from the nature of God and the identity of Jesus, to prayer, worship, and the fruit of the Spirit. Each big category is divided into ten topics to give us an up-close look at the important things God wants us to know. This book is relevant, practical, and deeply fundamental for a serious Christ seeker.

Supply list:

1. Assignment book
2. Black Pen
3. #2 Pencils
4. Notebook paper (college ruled)
5. Computer (for home use if mandated for school to close and classes to be done at home)

Grading:

Tests/Quizzes: 50%

The NIV (New International Version) Bible is what is being referenced in the class. The Believe: Student Edition book is on loan to your student and is **required to be covered** with either a paper bag or book cover no later than Tuesday, September 2nd.

There will be homework assigned and all homework should be turned in complete on the due date or the student's grade will be taken down one letter grade for that assignment. If homework is not being turned in for a week I will email the parent for a conference.

If you are planning on going on vacation, please get with me a week ahead of time, so that your student does not fall behind in class, they can do the extra work before they leave.

I look forward to a great year with your student.

It is the **Mission** of CVA to educate our students, using biblically sound teachings, in order that they may impact their world for Christ. We do this by utilizing our hybrid program to make individualized education plans. This is accomplished through on-campus, online, and home education programs.

It is the **Vision** of CVA to equip each student with a quality Christian education firmly based in the Word of God, so that they are fully prepared to take the love of God into all the earth.
