Welcome to K- 3rd Grade Social Studies and Science!

I am beyond thrilled to be on this educational journey with you. We are going to have an AWESOME year!

Curriculum for Social Studies (1st semester) and Science (2nd semester):

Fifty States Under God by A Helping Hand brings the word of God to bear on the subject matter, this series seeks to show the development of America from its earliest days to today.

Exploring God's Creation Our Father's World by Christian Liberty Press, this course utilizes science skills that involve the students in the physical and biological sciences in the context of the creation week.

While most of the work will be completed in class, there will be times when your child will need your assistance to facilitate accomplishing the classwork. In science parents will need to complete some experiments with their student at home.

Supplies:

Glue Sticks

Scissors

1 pack construction paper

Mission

It is the Mission of CVA to educate our students, using biblically sound teachings, in order that they may impact their world for Christ. We do this utilizing our hybrid program to make individualized education plans. This is accomplished through on- campus, online, and home education programs.

Vision

It is the Vision of CVA to equip each student with a quality Christian education firmly based in the Word of God, so that they are fully prepared to take the love of God into all the Earth
